We're All Over Singapore ... to serve you better

Original Tour **Worldwide CitySightseeing**

It is easy to enjoy Singapore with the Open-Top Touring System. The hop-on, hop-off system allows you to tour at your own leisure pace. Spot an interesting place or sight? No problem! Simply hop off to explore on your own and you can always continue the tour later by hopping onto the next bus, which is at a 15-20 mins interval.

The system connects you to major hotels, shopping malls, restaurants, pubs, attractions and sights.

More than a tour... it is a transport and touring system in one. Now you can revisit places and save on taxi fares too!
